Breon O'Casey - St Ives & Beyond

Sculpture, prints, paintings and jewellery

15th February - 12th April

Gallery Pangolin is excited to announce an exhibition of the eminent artist Breon O'Casey, opening on the 15th February 2025.

This will be Gallery Pangolin's first solo exhibition of O'Casey's, with works on show including sculpture, prints, paintings and jewellery.

The exhibition will showcase the breadth of O'Casey's skill at working in many of these diverse mediums.

"Breon O'Casey is a man for all seasons. He thinks and feels with his hands and moves with apparent ease from two-dimensional to three-dimensional activities, from one medium to another, without losing the artistic integrity of his intent." - Peter Murray

O'Casey was an artist and sculptor who immersed himself fully in the vibrant arts scene in St Ives in the middle of the 20th Century. He was as dedicated to his craft as to his adopted home of Cornwall.

This unique exhibition continues at Gallery Pangolin until the 12th April 2025.
