■ Set on the slopes of the Cotswold escarpment, Gallery Pangolin is one of the few galleries to specialise in sculpture and related works on paper. Over the past twenty years the gallery has established a reputation for works of quality and excellence by both Modern and contemporary artists.

■ The exhibition includes sculpture and works on paper exploring and celebrating the bull, a formidable beast with mythological significance.

■ The centrepiece of the show is a powerful series of life-size drawings by new gallery artist Marcus James, taken from studies of Iberian bulls in corrals and from bullfights in Spain and Southern France.

■ Sculptures include Mick Ponting's 'Bison', inspired by Prehistoric cave paintings, and Sam Herman's enigmatic 'Atalaya Bull', both by artists new to the gallery.

■ Other sculptural highlights include Nick Bibby's detailed portrait of pedigree champion 'Rosemead Jeronny', Deborah van der Beek's expressive study 'Glaring Bull', Lynn Chadwick's archetypal 'Beast IX' and a brand new work by Jon Buck, 'Earth Bull'
