■ Gallery Pangolin is proud to host this exhibition of Jonathan Kingdon's drawings, prints and sculpture which marks the publication earlier this year of 'Mammals of Africa', a series of six volumes describing in detail every currently recognized species of African land mammal.

■ A limited number of original drawings from 'Mammals of Africa' and the 'Field Guide to African Mammals' will be included in the exhibition together with eighteen colour prints, of which three have been newly published by the gallery

■ *'Art in science, the science of art, and the art of science: say these words to informed biologists worldwide, and with one voice they will acclaim: Jonathan Kingdon.'*

David W. Macdonald CBE, Professor of Wildlife Conservation, University of Oxford

■ *'A noteworthy successor of Leonardo, Durer and our own Stubbs.'*

Sir Julian Huxley

■ *'The spirit of Aristotle and Leonardo hovers over this extraordinary work.'*

*The Sunday Times*
